

# ESSENTIAL FORMS. UNLIMITED INSPIRATIONS.

Remember the things you once imagined, the worlds you once built, with only the simplest of shapes to ignite your imagination? At Lucifer Lighting, we've created entire families of fixtures from pure profiles. Sure, we pack them with the most innovative technology, advanced optics for superior light control, and the endless adjustability you've come to expect from us. But all that is hidden within confident, spare silhouettes. Because we want nothing to get in the way of illuminating your creativity.
